

Arrangements have now been completed for the commencement of the PSA home testing and will commence on **MONDAY 1st MARCH. 2021**

The format of this scheme is similar to that previously used when the PSA testing was carried out at Provincial Grand Lodge under the auspices of the Graham Fulford Charity Trust (G.F.C.T.).

It will be based on their "traffic light system":-

GREEN	No further action
AMBER	Recommended to have a further test
RED	Contact your own GP as soon as possible

Please note that the home testing is **SAFE, SECURE** and totally **CONFIDENTIAL** to each brother with individual log on and passwords required to access data and information.

Each test will be fully subsidised by the Mark Charities in the sum of £22.99 per test however if any brother or lodge wish to make a contribution towards the costs please direct any such donation to:-

V.W.Bro M M Evans (Honorary treasurer) at his home address :-
Old Orchard House, 70 Granville Park West, Aughton, Nr Ormskirk, L39 5HS

or by bank transfer to West Lancs Mark Charities, Sort Code 60-13-19 Account No. 12101435
(Please quote reference PSA Home)

In order to participate in the PSA home testing it is essential that you follow and abide by the clear and concise instructions as set out below.

If you do not follow the instructions you will not be able to participate and benefit from the subsidised arrangements already made.
